 Subject: IMPORTANT : YOUR VOICE MATTERS - Kaiser Permanente Los Angeles Medical Center Community Health Needs Assessment Focus Groups

Dear Community Members & Stakeholders,

As part of our commitment to improve the health of our members and the communities we serve, every three years, Kaiser Permanente Los Angeles Medical Center (LAMC) conducts an independent, comprehensive community health needs assessment to understand the needs of our community and develop strategies to address health and social issues that impact quality of life.

As part of this comprehensive health needs assessment, LAMC's consultant Melissa Beil of Beil Consulting, Inc will conduct a number of community focus groups in early October. To fully understand the needs of our local communities, we seek a broad and strong participation from various community members.

As an important community stakeholder, we would like to invite you to attend one of the community focus groups listed below. Your input in this important process is critical as it will help shape our Community Benefit Strategy for the next three years.

Space is limited to 15 participants per focus group -- RSVP is required. To RSVP or if you have any questions, please email Melissa Biel directly at <mailto:mbiel@bielconsulting.com> mbiel@bielconsulting.com.
